

Wall mounted hose hanger
for 25 m 1/2" or 20 m 3/4"

made of stainless steel

hose hanger with a 6 diameter. Its use
because it will be less exposed to the
recommended from an accident prevention
hose.

Use the right fastening elements, and take in account the reel weight with
the water full hose in it. It needs to be fastened to the wall with screws
through a sandwich panel.

Shorter hose length stores smaller weight.

Material: zinc-chrome surface treated steel

Weight: 0,45 kg

The product is a permanent storage lots. Meantime, we hold the right of selling the stock in products.
